

WHAT IS PROFIT?

Profit is when someone or a business makes money from selling something

$$\text{Total money earned} - \text{expenses} = \text{profit}$$

TOTAL MONEY EARNED	
EXPENSES	PROFIT

Things needed to run a lemonade stand:

WHAT IS PROFIT?

Profit is when someone or a business makes money from selling something

$$\text{Total money earned} - \text{expenses} = \text{profit}$$

TOTAL MONEY EARNED	
EXPENSES	PROFIT
